Leadership Columbus Celebrates 30 Years!

Please join us on Wednesday, May 12th when Mayor **Michael B. Coleman** takes center stage to kick off an exciting new series in partnership with Leadership Columbus on the occasion of LC's 30th Anniversary celebration. This series will be presented quarterly and will spotlight our community's leaders, best practices and challenges in leadership development.

The series will be also be aligned so that a discussion of leadership relative to the critical issues will be addressed- eg. Economic development, education, the arts, philanthropy, diversity, downtown revitalization, etc.

In Partnership with:

"Leadership is such a gripping subject that once it is given center stage it draws attention away from everything else."

— JOHN W. GARDNER

Known for his collaboration and inclusive leadership style, Mayor Coleman has said "it is clear that we must be focused, we must build community partnerships and we must leverage all of our creativity and energy to address the challenges of a dynamic, growing city".

Now, at the beginning of his second term as Mayor of Columbus, Mayor Coleman will address the issues ,opportunities and trends he has witnessed while at the helm of guiding our growing city and discuss how the community can continue to work together to meet the challenges of the future.

Mayor Coleman

Leadership Columbus is our community's premier leadership development program and for 30 years has served as a catalyst for people from diverse backgrounds to study community challenges and explore solutions together.

The Leadership Columbus 30th year Anniversary celebration will take place the following evening, May 13 at the Hyatt Regency.

The Mayor will be present to induct five Leadership Columbus graduates into the inaugural Hall of Fame.

Tickets for the dinner may be obtained by calling 225-6948.

Columbus Nugget

Columbus' tastes are not too far from the national norm, for this is a key test marketing city for the United States. It is not improbable that the toothpaste or deodorant you use was put into mass production only after the manufacturer tried it out in Columbus.

CMC Forum Explores Cooper Stadium Possibilities

CMC Members; Warren Fishman, Joanne Mead and Nancy Patzer, after the forum

"Across the country, minor league baseball is undergoing a renaissance as people get more and more sick of major league ball."

— ROBERT H. MILBOURNE

"I believe county involvement can keep ticket prices low. We want to keep the stadium affordable to blue collar workers, regardless of whether the current stadium is renovated or if we build a new one."
