Honda: 25 Years in America

Koki Hirashima, CEO, Honda of America Mfg.

Sponsored by: **Cochran Public Relations**

This year Honda's annual payroll within the state of Ohio topped the \$1.1 billion mark as the company celebrates its 25th year of manufacturing in the United States. The payroll figure is generated by the 16,000 Ohioans who work for Honda. An additional 20,000 supplier-industry jobs in the state are tied directly to the manufacture of parts for Honda. "Twenty-five years ago, Honda formed a partnership with Ohio," Honda of America CEO Koki Hirashima said. "Together, we have been successful in ways that even the most optimistic among us could never have predicted. Hirashima will discuss Honda's unique partnership with the state of Ohio and the company's plans for the future."

Is Ohio Growing Smarter? An Update on Smart Growth Legislation

Presented in Partnership with:

State Representative **Larry Wolpert**, chairman of the Ohio House of Representatives County and Township Government Committee, and the House Growth and Land Use Subcommittee

Join CMC and State Representative **Larry Wolpert** for a sneak preview of the final report of the House Subcommittee on Growth and Land Use. Rep. Wolpert's subcommittee, charged with identifying solutions for Ohio's critical growth and land use issues, will deliver its official report to the legislature in November. But you'll get an

"The goal of this subcommittee is to gain as much information as possible about Ohio's land use patterns. By the end of the 125th General Assembly, we should have an idea on how the legislature can address these issues. I have heard from many individuals and organizations from around the state that are very excited that the legislature will be looking into this issue."

— Rep. Larry Wolpert

advance view of the committee's findings at this forum, the ninth in the popular Growing Smarter series.

What are the most urgent land use issues facing Ohio? Will the legislature empower

communities with new tools to combat suburban sprawl? Can farmland preservation outpace greenfield development? What legislative actions would help Ohio communities grow and still retain their special character? This is your opportunity to ask the legislature's growth and development expert the tough smart growth questions.
