Beyond Fear: Thinking Sensibly about Security in an Uncertain World

Bruce Schneier, Author, *Beyond Fear: Thinking Sensibly about Security in an Uncertain World*

Does arming pilots make flying safer? Will computerized voting machines make election results more accurate? Will a national ID card better protect us from terrorism? You might answer "yes" to these questions, but the truth may surprise you. Security expert Bruce Schneier has spent his entire career figuring out how security actually works, and he explains it all in this entertaining and readable book. Book-signing to follow forum.

Creating a Lasting Impression: Renoir's Women and the Columbus Museum of Art

Nannette Maciejunes, Executive Director, *Columbus Museum of Art*

Last year, the Columbus Museum of Art began a new journey with a new executive director, a new mission statement and exciting exhibits. Renoir's Women is just such an exhibit. On view exclusively at the Columbus Museum of Art, the exhibit features 35 key works by this beloved Impressionist master. Museum Executive Director Nannette Maciejunes discusses the inspiration for the exhibit and her plans as the Museum undertakes its journey into the future.

CMC on Site at Riverside's Center for Medical Education and Innovation

The new Center for Medical Education and Innovation at Riverside is a state-of-the-art medical education facility with a training center incorporating some of the world's most advanced healthcare technologies available.

Through the use of human patient simulators and other advances in medical education technology, the Center enables Riverside Medical Education to simulate patients and the patient experience in a wide variety of clinical situations. It offers a safe way for medical professionals to practice new technologies and advanced procedures without putting real patients at risk.

CME+I represents a major transformation in medical education and increases patient safety, facilitates the evaluation of new medical technologies, and encourages the adoption of new skills.

Featuring an exclusive tour of the Laboratory Skills Center and Virtual Care Unit, where virtual reality meets healing - the first of its kind in the world!

Directions:
The Center is located on the fourth floor of Riverside's McConnell Heart Hospital, 3525 Olentangy River Road, Columbus, Ohio 43214. Park in the RED parking garage. For directions, please visit: <http://www.ohio-health.com/facilities/maps/riverside/>

Mayor Michael B. Coleman

Mayor Michael B. Coleman took office on January 1, 2000. Prior to becoming mayor, Coleman served as President of Columbus City Council and as a Council member. Michael Coleman graduated from the University of Cincinnati in 1977 with a degree in Political Science. He earned his law degree from the University of Dayton Law School in 1980. The Mayor is focused in his effort to build Columbus as America's 21st Century City and has vowed to make Columbus the best city in the nation to live, work, and raise a family. Recently, Mayor Coleman announced his intent to run as a Democratic candidate for Governor of the state of Ohio in 2006.

About Us...

CMC firmly believes in the free expression of all ideas and the benefits of an open exchange of information. CMC is non-partisan and takes no positions on issues.

Anyone can join! From the beginning, there have been no barriers to membership and all forums have welcomed the general public. Diversity, both in programming and membership, is one of the many benefits of being involved in CMC. Everyone is welcome.

Each forum is an hour-long program that starts with a brief introduction followed by 25-30 minutes of speaker comments. The final half hour is filled with unfiltered, unrehearsed questions from the audience.

Join Today!

Call CMC at (614) 464-3220 for more information.
