Celebrate Our 30th By Contributing to the Founder's Fund!!

In 2006 the Columbus Metropolitan Club will celebrate 30 years of community conversation. Thanks to strong support, CMC is able to keep dues and lunch fees very low. Your dues and lunch fees cover about 60% of our operations, but that leaves 40% (approximately \$160,000) that we must raise from corporate sponsorships, grants and contributions from companies and individuals such as you.

Once each year we remind you of our Founder's Fund and the opportunity to support the mission of CMC in this manner. We have set the bar high in 2006 with a Founder's Fund goal of \$30,000 to commemorate the Club's 30th anniversary. Our 20 member Board of Trustees is well on its

way to 100% participation and asks you to join them in their efforts.

The money you give supports CMC forums that are essential to the mission of providing the open exchange of information to the community that may fall outside of the scope for attracting corporate sponsors. These forums might include our political debates or those cutting edge topics or speakers that spark our attention and interest. CMC could not add them to our forum schedule without contributions from our generous donor members and community supporters.

We know you get many requests for contributions, especially this time of year, so we're very grateful for your consideration. CMC members will

Founder's Fund Chair Nancy Todd and CMC President Suzy Swanson Kick-Off the 2006 30th Anniversary Year Founder's Fund

receive a pledge card in the mail. If you're not a CMC member but would like to support our mission, please call us at (614)464-3220

"The number of Hispanic and Latino immigrants is growing. We have to start thinking creatively and differently about these issues. If the issue is paying taxes, why don't we give them social security cards?"

"Because this community has grown and because we are invested in our own businesses, we have a tremendous buying power. If you're in the business of selling a product, this is a community that purchases a lot of things."

Julia Arbini-Carbonell, Ohio Department of Job and Family Services Bureau of Civil Rights

Speakers Julia Arbini-Carbonell and Ruben Castilla Herrera
