Post Election Analysis

Bob Bennett

Moderated by: **John Fortney**, Anchor, WBNS 10TV. **Bob Bennett**, Chairman, Ohio Republican Party; Representative **Chris Redfern**, Chairman, Ohio Democratic Party.

By Thursday, November 16, the political season might feel like ancient history. But, after such a rambunctious, entertaining and sometimes rather irritating political season, we just can't walk away from the opportunity to hear from the leaders of the two political parties.

So, CMC is providing Chair of the

Ohio Republican Party **Bob Bennett** and Chair of the Ohio Democratic Party **Chris Redfern** with the perfect platform to play Monday-morning quarterback and fortune teller.

Bennett and **Redfern** will have a lot to talk about and even Mapquest and global positioning combined may not be enough to navigate the new territory. The political surroundings in Ohio may look as unfamiliar as a lunar landscape.

Some new folks may be elected, some incumbents may return.

Be he R or be he D, at a minimum, Ohio will have a new governor.

Make your reservations today for THURSDAY, November 16!

streetcars, just to name a few of the extraordinary forums from the 30th celebration series.

As we're winding down the celebration year, what a better way than to ask some of Columbus' best positioned leaders from major segments of our community to explore the future of Columbus.

Hey, nonprofits, business, education, city government, what's ahead?

What are the greatest challenges, opportunities, pitfalls and windfalls that lie around the next bend in Columbus' road? What goals should we be setting for our city? Who's in charge? Who is and who should take the lead? What elements are missing? What are the strengths we should emphasize? What do we need to "fix"?
