## What's the Media Feeding Us? And Why We Should Care.

Laura Hill, Ph.D., CEO, The Center for Balanced Living & Sonja Stotz, RD, Director of Education, The Center for Balanced Living

Laura Hill

We rise each morning with the intent to eat well and live a balanced and healthy life. But our daily diet consists of more than food. We are fed images and social messages that influence our size, shape and daily diet. How are we digesting these messages? How do the images affect us as adults and how are they affecting our children?

This forum entitled, "What's the Media Feeding Us?" addresses healthy,

balanced living and how we adults and our children combat the imagery that bombards us nearly every minute of every day. How do we define ourselves and come to a normal, healthy image of our own body and of those around us?

Laura Hill, Ph.D. is the director of Center for Balanced Living and Sonja Stotz, RD of the Center will discuss how these messages detour us from the balance for which we strive. Their discussion will be accompanied by an extensive PowerPoint presentation examining the images we see every day.

## Democratic Primary Debate

## Cindy Lazarus & John O'Grady for Franklin County Commissioner

Cindy Lazarus

John O'Grady

The Franklin County Board of Commissioners works with an annual budget of \$1.25 billion to help enrich our community, set the strategic direction, and tackle its needs. Cindy Lazarus and John O'Grady are competing in the March 4 primary election for the Democratic nomination to run for County Commissioner in the November general election.

O'Grady was elected Franklin County Clerk of Courts in 2000. He was re-elected in 2004. Prior to his service as Clerk of Courts, he worked as an administrator for State Treasurer Mary Ellen Withrow for nine years.

Cindy Lazarus is the President & CEO of the YWCA Columbus. Her career includes service as a Franklin County Court of Appeals Judge and ten years as a member of Columbus City Council, serving 3 years as president.

Don't miss the squaring off of O'Grady and Lazarus before the primary to give their platforms on current issues surrounding the County Commissioner office and their opinion of the Commission's role.

CMC – Experimental Forum

## CMC Have Your Say . . . City Center

Noon to 1:30 p.m. World Café Format hosted by Phil Cass, Executive Director, Columbus Medical Foundation

What's an "experimental forum?"

For several months WOSU General Manager and CMC Board Member Tom Rieland has championed a group of CMC members to create one forum that will experiment with an entirely different forum format. On March 12, the Experimental Forum Committee hosts a CMC World Café discussion on City Center's future.

A well-known and widely-used format, World Café is a creative process in a café setting. CMC will transform the banquet hall at the Athletic Club into a café setting, where attendees will enjoy a generous box lunch while discussing two questions relative to the future of City Center.
