## One Investment that's Paying Record Dividends!

Your annual dues to the Columbus Metropolitan Club have paid record dividends to you this past year with bullish projections for 2009! As we close the books on 2008, the member assets on the balance sheet are stronger than ever and the social and intellectual profits are soaring!

Performance over the 12-month period for calendar 2008 shows that CMC hosted a total of 75 events, including 54 regular Wednesday forums, eight new CMCP.m. evening events, four CMC on Site morning forums and eight special events with a total of 8,651 people attending.

While these numbers are impressive, your pay-off from CMC isn't measured in raw numbers. Your investment dividends are paid when you reap the benefits of

participation. And, if there was ever a year where participation will pay higher than normal dividends, it's this coming year!

Networking at CMC events pays off in new contacts, maintaining relationships, exploring new opportunities and examining all your options. CMC's audiences overflow with valuable connections, unlimited opportunities and untapped ideas. Speakers' insights can inspire you to see things from a new, profitable perspective or reinforce your current strategy.

Whatever you do, don't miss out on this investment opportunity. Welcome in the year with a new or continued sound investment in CMC. You are guaranteed rewarding dividends!
